4. Fresh Fitz

5. Our website is an all-in-one platform for all things fashion. It will feature the following pages:

Register, Login, Profile, Discover, Outfit Creator, Store Search, Logout.

Register: Users can create an account with a unique username and password.

Login: Users can login to their profile.

Profile: Users can view their username, set and view their profile picture, and see the clothes they've wishlisted and outfits they've saved.

Discover: Users can search for clothing and accessories by price range, color, type of clothing and can wishlist clothes that they like.

Outfit Creator: Users are provided recommendations of pieces of clothing based on the clothes they've wishlisted. They can assemble an outfit and save it to their account.

Store Search: Users are recommended stores near them where they can buy clothing.

Logout: Users can log out.

6. Fresh Fitz provides a dynamic platform for casual clothes shoppers to fashion enthusiasts who seek inspiration. Fresh Fitz is an outfit design site where users can search for clothes, create outfits, and search for clothing stores near them. Unlike the over-commercialized landscape of online fashion today, Fresh Fitz is a site where users get a personalized algorithm to find their style and connect with local retailers.
